

## **I. PERSONAL DATA**

**NIKOLAOS G. PAPADIMITRIOU, MD, Ph.D.**

**Orthopaedic Surgeon**

**Chief Medical Officer, Orthopractis.com s.m.P.C**

**E-mail :[info@orthopractis.com](mailto:info@orthopractis.com), [gpapadig@gmail.com](mailto:gpapadig@gmail.com)**

**Web: [www.orthopractis.com](http://www.orthopractis.com), [www.orthopractis.gr](http://www.orthopractis.gr)**

**Mob. +306944250035**

## **II. STUDIES**

**2006-2007 : Fellowship in Adult Reconstructive Surgery- Hospital for Special Surgery; NewYork-Presbyterian Hospital, Weill Medical College of Cornell University. New York Chapter of the Arthritis Foundation awarded a Stavros S. Niarchos International Fellowship to study 'The molecular mechanisms of aseptic loosening in joint replacement ' at Laboratory of Osteolysis Research at Hospital for Special Surgery; NewYork-Presbyterian Hospital, Weill Medical College of Cornell University (USA)**

**2001-2002: Fellowship in Hand and Upper Extremity Surgery, Arthroscopy and Microsurgery. University of Pittsburgh. Department of Orthopaedic Surgery (USA).**

**2000-2001:Fellowship in Arthroscopy, Shoulder, Sports Medicine and Orthopaedic surgery. The Orthopaedische Universitaet Klinik, Homburg/Saar (Germany) and The Orthopaedische Universitaet Klinik Heidelberg, (Germany).**

**1993-1999: Ph.D. Thesis: "The Changes in Bone Mass following Surgical Interventions to the Stomach (Gastrectomy/Vagotomy)", Aristotle University of Thessaloniki (Greece), Medical School.Grade : Excellent. Awarded the "Alexander Kalos" Excellency Award.**

## **CURRICULUM VITAE DR.PAPADIMITRIOU 2**

1993-1999 :**Post-Graduate Courses. Department of Orthopaedic Surgery, Aristotle University of Thessaloniki (Greece). Grade: Excellent.**

1993 – 1994: **Medical Assistant - Medical Social Service. Kozani General Hospital, Kozani (Greece).**

1986-1992: **Medical Degree. Aristotle University of Thessaloniki (Greece), Medical School. Graduated with honors.**

1979-1985: **Completion of Secondary Education. A' Senior High School of Thessaloniki (Greece). Graduated with honors.**

### **III. CLINICAL EXPERIENCE**

April 2012 to July 2012 : **Locum as Consultant Orthopaedic Surgeon in Clinic SRH Wald-Klinikum Gera gGmbH (Germany)**  
Special topic joint replacement surgeries (knee-hip).

May 2002 to 2019 : **Appointed as Consultant Orthopaedic Surgeon in 2nd University Orthopaedic Clinic, of Aristotle university of Thessaloniki, 2nd Pesy, G.Genimatas, Hospital Thessaloniki (Greece)**

**2019 to present : promoted to Senior Consultant Orthopaedic Surgeon in 2nd University Orthopaedic Clinic, of Aristotle university of Thessaloniki, 2nd Pesy, G.Genimatas, Hospital Thessaloniki (Greece)**

I participate in all activities of our department, which include outpatients, adults and paediatrics, clinics, ward rounds, operative sessions, Journal Clubs etc. I perform a considerable number of operations (joint replacement surgeries, revisions, adult and paediatric trauma).

I am responsible for the outpatient clinic in our hospital which is a tertiary hospital of the Department of Orthopaedics for adult and paediatric trauma. I am a specialist in treating children with the Papadimitriou method or modified Hoffmann Daimler method cases with developmental dysplasia of the hip.

I am also responsible for the ultra minimal invasive ultrasonographic guided Orthopaedic procedures like ultra minimal sonographic guided carpal tunnel release etc.

I am also actively involved in day-to-day patient care on our wards and firmly involved in the outpatient clinic. I am also involved in clinical projects presenting a number of papers in medical congresses, in the publication of many research papers and in the training of residents and students

March 2000: **Licensed Orthopaedic Surgeon in European Union- England and verified by ECFMG in USA-England-Germany (GMC reference number: 7219876, USA-ECFMG verified E-903078-4, Germany**

# CURRICULUM VITAE DR.PAPADIMITRIOU 3

Nr.276150FA7B096FA3770D26037301E2BFCFFAFE4930678A410FEB2FCF8789E1 <https://www.kammerservice.de> and Switzerland by MEBEKO)

November 1996 to March 2000: **Residency in Orthopaedics.1st University Orthopaedic Clinic, G. Papanikolaou Hospital, Thessaloniki (Greece).**

March 1995 to September 1996: **Residency in Orthopaedics. Orthopaedic Clinic, 424 Military Hospital, Thessaloniki (Greece).**

March 1994 to February 1995: **Residency in General Surgery and Trauma. 3rd University Surgical Clinic, American Hellenic Educational Progressive Association (AHEPA) Hospital, Thessaloniki (Greece).**

1993 – 1994: **Medical Assistant - Medical Social Service.Kozani General Hospital, Kozani (Greece).**

## Fellowships

September 2006- September 2007

**Fellowship in Adult Reconstructive Surgery- Hospital for Special Surgery; NewYork-Presbyterian Hospital, Weill Medical College of Cornell University.**

Chapter of the Arthritis Foundation awarded a Stavros S. Niarchos International Fellowship to study: “The molecular mechanisms of aseptic loosening in joint replacement” at Laboratory of Osteolysis Research at Hospital for Special Surgery; New York - Presbyterian Hospital, Weill Medical College of Cornell University (USA). I was implicated with high end basic science research as a translational scientist. The Hospital for Special Surgery is now ranked as first in USA for joint replacement surgery. I had the opportunity to be actively involved every day in the operation theatre and assisting in many cases, especially in revision surgeries or total joint replacement surgeries, as a first or second assistant. I learned many new techniques in joint replacement surgery and especially the minimal techniques in hip and knee joint replacement surgery.

April 2001-March 2002

**Fellowship in Hand and Upper Extremity Surgery, Arthroscopy and Microsurgery University of Pittsburgh Department of Orthopaedic Surgery (USA).**

## **CURRICULUM VITAE DR.PAPADIMITRIOU** 4

Mainly application of arthroscopy in the fields of orthopaedic diseases of the hip, Hand, knee, shoulder, ankle, elbow and management of sports injuries also doing research and learning new procedures in Hand and Upper extremity Surgery and the application of Free vascularized fibular craft in Avascular Hip Necrosis.

November 2000 – February 2001

**Fellowship in Arthroscopy, Shoulder, Sports Medicine and Orthopaedic surgery.**

**The Orthopaedische Universitaet Klinik Heidelberg, (Germany).**

April 2000 to November 2000:

**Fellowship in Arthroscopy, Sports Medicine and Orthopaedic surgery.**

**The Orthopaedische Universitaet Klinik, Homburg/Saar (Germany).**

Mainly application of arthroscopy in the fields of orthopaedic diseases of the knee, shoulder, hip, ankle, elbow and management of sports injuries.

January 1999 to February 1999:

**Observership in Orthopaedic Surgery.**

**Orthopaedische Universitaet Klinik II, Heidelberg (Germany).**

January 1990 to December 1992:

**Fellowship in Orthopaedic Surgery.**

**Children's Orthopaedic Clinic, Thessaloniki (Greece).**

August 1990 to September 1990:

**Observership in Orthopaedic Surgery.**

**The University Orthopaedic Clinic of Nottingham (UK).**

July 1989 to August 1989:

**Observership in Orthopaedic Surgery.**

**Orthopaedische Klinik of Olga Hospital, Stuttgart (Germany).**

August 1988 to August 1988:

**Observership in Orthopaedic Surgery.**

**Orthopaedische Universitaet Klinik II, Heidelberg (Germany).**

## IV. PUBLICATIONS

### Medical books

1. "Orthopadie" by Prof. Cotta and Prof. Puhl, University of Heidelberg. Contribution to the translation (German to Greek) of the 5th edition. Published by Parisianos publications in Greece. ISBN:960-394-1743
2. Review of Hand Surgery By Pedro K Beredjiklian, MD and David J Bozentka, MD 304, Approx. 250 illustrations, Copyright 2004. B. Saunders Title. Published by Elsevier Health Sciences Product, ISBN: 072-160-188X. Contributions to chapter 6 topic <<Fractures of the hand wrist and forearm axis>>.
3. Functional treatment of Developmental Dysplasia of the Hip with the Papadimitriou Method.General Guidelines - Techniques. Dr. Nikolaos G. Papadimitriou M.D. Ph.D. <http://itunes.apple.com/us/book/id1444353541>

## **V. Lectures, Presentations and Seminars Awards,**

### **Lectures**

1. **November 11 2003** in Orthopaedic Surgeons meeting in G.H.Genimatas hospital topic **Posttraumatic Arthritis**
2. **March 5 2005**, hotel Macedonia Palace Thessloniki meeting of Pediatric Orthopaedic Surgeons.- **Conservative treatment of Developmental dysplasia of the HIP. The modified Hoffmann-Daimler Method .**
3. **July 9 2007** visiting lecturer -**Topic the modified hoffman-daimler method - Orlando, Florida -medical center –Arnold palmer hospital for children.**
4. **March 12 2011** meeting of Pediatric Orthopaedic Surgeons.- **Conservative treatment of DDH .Thessaloniki Greece.Papageorgiou Hospital**
5. **November 2018 for 3 Days** educational course, organised by the support of International hip dysplasia Institute for teaching and hands on practice for four US MD trainees about the applications of Functional treatment of Developmental Dysplasia of the Hip with the Papadimitriou Method. General Guidelines - Techniques.
6. **Awarded presentations with special mention .**
  - **Nikolaos G. Papadimitriou, Athanasios Papathanasiou, Evangelos I Foyfoulas. Percutaneous Ultra Minimally Invasive Ultrasound-Guided Carpal Tunnel Release. The Technique And The Use Of Neurostimulator Intraoperatively.9th EFORT Congress 2018, 29 may -1 june 2018, Barcelona Spain**
  - **Nikolaos G. Papadimitriou, Eleftherios Tiakas, Athanasios Papathanasiou, Christos Siopis, Evangelos IFoufoulas. Validity And Reliability Of The Hip Dysplasia App. All Measurements In One App For Smartphone9th EFORT Congress 2018, 29 may -1 june 2018, Barcelona Spain**

**6. Apple developer 41 applications have been developed by his team available in apple store specifically designed for orthopaedic surgeons more at [www.orthopractis.com](http://www.orthopractis.com)**

**<https://apps.apple.com/us/developer/nikolaos-papadimitriou/id1286360877>**

Some of Participation Medical Congresses presentations in Greece and abroad. Some of the presentations in International Congresses are the following:

**1. HipNaviPro App, A Portable Navigation Tool For IOS-Apple In Augmented Reality (AR) For Improving Intraoperatively Cup And Stem Position In Total Hip Arthroplasty Taking Into Account Spinopelvic Parameters. Is It Accurate And Valid ?**

**Oral Presentation at 25st EFORT Congress, Hamburg Germany 22-24 May 2024.**

Nikolaos G. Papadimitriou<sup>1</sup>, Angeliki Papadimitriou<sup>2</sup>, Polychronis Papadopoulos<sup>1</sup>, Christoforos Kampouridis<sup>1</sup>, Pericles Papadopoulos<sup>1</sup>

**2. ScoliosisApp Is It A Valid Tool For Early Detection And Follow Up Of Idiopathic Scoliosis Avoiding X-Rays.**

Nikolaos G. Papadimitriou, Polychronis Papadopoulos, Christoforos Kampouridis, Pericles Papadopoulos

Poster Presentation at 25st EFORT Congress, Hamburg Germany 22-24 May 2024.

**3.NaviToolHip App, A Navigation Tool For Improving Intraoperative Navigation During Cup Positioning In Total Hip Arthroplasty. Is It Accurate? Experimental Study in Joint Replacement.**

**Oral presentation Virtual Efort Congress (VEC) 28-30 October 2020**

G. Papadimitriou , Maria Arvaniti , Konstatinos Ditsios , Lazaros Kostretzis , Pericles Papadopoulos<sup>1</sup>

**4. Abduction Orthosis Splint For Treating Hip Dysplasia : Can We Expedite AcetabularRemodelling By Adjusting The Entry Angle Index? oral presentation Virtual Efort Congress (VEC) 28-30 October 2020**

Nikolaos G. Papadimitriou, Konstatinos Ditsios, Pericles Papadopoulos

2nd University Department of Orthopaedics, Aristotle University, Thessaloniki, Greece,

5.Nikolaos G. Papadimitriou, Athanasios Papathanasiou, Evangelos I Foyfoulas. Percutaneous Ultra Minimally Invasive Ultrasound-Guided Carpal Tunnel Release. The Technique And The Use Of Neurostimulator Intraoperatively. 9th EFORT Congress 2018, 29 may -1 june 2018, Barcelona Spain

Nikolaos G. Papadimitriou, Eleftherios Tiakas, Athanasios Papathanasiou, Christos Siopis, Evangelos IFoufoulas. Validity And Reliability Of The Hip Dysplasia App. All Measurements In One App For Smartphone 9th EFORT Congress 2018, 29 may -1 june 2018, Barcelona Spain

The Modified Hoffmann-Daimler Functional method for the treatment of late presenting Developmental Dysplasia of the Hip Papadimitriou, N.; Beslikas, T.\*; Chitas, A.; Papageorgiou, T.; Tsiantzis, K.; Christophorides, J.;E-POSTER : 10th EFORT Congress-EFORT 2009 –VIENNA Austria 3-6 june 2009

Application of the Ellis External Fixator system in distal humeral fractures in children, Is it advantageous? Beslikas, T.; Papadimitriou, N.; Tsiantzis, K.; Parisidou, P.; Papageorgiou, T.; Christophorides, J.; E-POSTER : 10th EFORT Congress-EFORT 2009 –VIENNA Austria 3-6 june 2009

101 late diagnosed hips with developmental dislocation of hip treated with modified Hoffmann-Daimler method. It will be presented as a poster in Dresden (Germany)during the 25TH EPOS (European Paediatric Orthopedic Society Meeting), April, 05-08, 2006

Treatment of Avascular Necrosis of the Femoral Head with Free Vascularized in children and adolescence. Nikolaos G. Papadimitriou, Anton Y. Plakseychuk, Dean G. Sotereanos. Department of Orthopaedic Surgery University of Pittsburgh Medical Center, Pennsylvania, U.S.A. Presented at the 21th Annual Congress of Orthopaedics and Traumatology Association of Macedonia and Thrace. MAKEDONIA PALACE,Thessaloniki,Greece (9-12 May 2002

Vascularized bone crafting for the treatment of scaphoid nonunion. Presentation o 11 cases. Nikolaos G. Papadimitriou, Dean G. Sotereanos. Department of Orthopaedic Surgery University of Pittsburgh Medical Center, Pennsylvania, U.S.A. Presented at the 58th Congress of the Greek Association of Orthopae-dics and Traumatology , Hyatt Regency Hotel, Thessaloniki, Greece ( 22 – 27 October 2002)

Symptomatic pseudarthrosis of styloid of ulna. Results after arthroscopic resection and TFCC reconstruction. Nikolaos G. Papadimitriou, Dean G. Sotereanos. Department of Orthopaedic Surgery University of Pittsburgh Medical Center, Pennsylvania, U.S.A. Presented at the 58th Congress of the Greek Association of Orthopaedics and Traumatology , Hyatt Regency Hotel, Thessaloniki, Greece ( 22 – 27, October 2002)

Hip arthroscopy of 199 cases. Diagnostic and therapeutic efficiency in hip diseases. Nikolaos G. Papadimitriou , Srino Bharam , M. J. Philippon. Department of Orthopaedic Surgery University of Pittsburgh Medical Center, Pennsylvania, U.S.A. Presented at the 3rd annual Congress of knee surgery and arthroscopy of the Greek Association of Orthopaedics , Athens,Greece. (21-22, June 2002)

Postgastrectomy Bone Disease. N. Papadimitriou, G. Kapetanos, F. Sayegh, M. Karamouzis. 1st Mediterranean Conference on New Strategies in Diagnosis and Treatment of Osteoporosis. Malta. (July 1-4, 1999).

Greater Trochanteric Bursitis Pain Syndrome in Patients with Chronic Low Back Pain and Sciatica. F. Sayegh, G. Kapetanos, N. Papadimitriou, C. Dimitriou, J. Pournaras. 4th Congress of the European Federation of National Associations of Orthopaedics and Traumatology (EFORT). Brussels, Belgium. (June 3-8, 1999).

The Significance of Quantitative Morphometry in the Assessment of Osteoporotic Vertebral Fractures in Males. N. Papadimitriou, G. Papadimitriou, G. Kapetanos, F. Sayegh. 4th Congress of the European Federation of National Associations of Orthopaedics and Traumatology (EFORT). Brussels, Belgium. (June 3-8, 1999).

The Changes in Bone Mass following Surgical Interventions to the Stomach (Gastrectomy/Vagotomy).N. Papadimitriou. Ph.D. Thesis. Awarded the "Alexander Kalos" Excellency Award. 7th Conference of the Greek Association of Bone Metabolism Studies. Chalkidiki, Greece. (May 1999).

Radial Closing Osteotomy for Kienbock's Disease. C. Dimitriou, G. Kapetanos, P. Symeonides, N. Papadimitriou, J. Pournaras. 1st Hellenic/Bulgarian Medical Meeting. Athens, Greece. (1998).

Correlation of Bone Minarel Density of Spine and Spine Deformity Index (SDI). N. Papadimitriou, I. Bischiniotis, G. Kapetanos. 3rd Greek/German Congress. Athens, Greece. (1998).

Sonographic Assessment of Callus Formation after the Maquet Procedure. N. Papadimitriou, G. Goubas, T. Karanassos.  
Orthopaedic Balkan Congress. Thessaloniki, Greece. (1997),

3rd Congress of the European Federation of National Associations of Orthopaedics and Traumatology (EFORT). Barcelona, Spain. (1997).  
Osteosynthese International Gerhard Kuntscher Kreis. Hamburg, Germany. (1996).

The Role of Laparotomy in the Management of Polytrauma Patients with Unstable Fractures of the Pelvis and the Acetabulum. J. Bischiniotis, G. Goutzamanis, N. Tziris, N. Papadimitriou, A. Aidonopoulos. The 36th World Congress in Surgery. Lisbon, Portugal. (1995).

## VI. Professional services

-Orthopaedic instructor -medical students- Aristotle University of Thessaloniki Greece 2002-2012

-Orthopaedic instructor -surgical residents- 2nd Orthopedic Department University of Thessaloniki 2002-2012

-President of the Greek Hip Dysplasia Association <<LITAE>> from 2019 -.

## VII. ADDITIONAL SKILLS

### Languages:

GERMAN: fluent  
ENGLISH: fluent  
GREEK: mother tongue

### Computer Literacy:

Windows, MS Office, Internet applications, Apple Developer

## VIII. MEMBERSHIPS

**Member of the Thessaloniki Medical Association.**

**Member of the (GMC )General medical Council in Britain)**

**Member of the Greek Association of Bone Metabolism Studies.**

**Member of the Greek Orthopaedic and Traumatology Association.**

**Member of the Orthopaedic and Traumatology Association of Macedonia and Thrace.**

**Active Member of the Organizing Committees of 4 scientific congresses.**

## Volunteer as Medical Personnel in Olympic Games in Athens 2004.
